Hi All, I sent tribal consultation letters in late September and early October last year. We are seeking a formal 401 certification from the Colville Tribes, so are working with them closely.

Hi JR,

Jenny is out in training this week, but I checked in with Susan Poulosom (Acting Chief) and was told that Jenny is talking with the tribe and this is in the coordination stage. The Tribes did respond but nothing formal yet. I believe Jenny is in the process of sending Tribal Consultation letters, but I will let her confirm this when she is back in the office.

Thanks,
Jayshika Ramrakha

Hello Jennifer,

I found the two attached EPA tribal consultation offer letters on the [R10 Tribal Consultations & RA Engagements SharePoint Site](#).

Did EPA receive a response back from the Tribes and request consultation?

Thanks!

JR
